Environmental Checklist for Precincts - 2014

This Checklist has been prepared to ensure compliance with the Operational Environmental Management Plan for Royal Ascot, as required by the Department of Environmental Affairs & Development Planning and the Cape Town Municipality. It is to be completed by the Property Owners Association Corporate of each Residential Precinct, or Manager of Commercial Precinct. All the questions may not be applicable to your precinct, you need only respond to those that are.

The completed checklist must be returned to Portfolio Manager on or before Friday 28 November 2014.
Precincts who do not submit the forms by due date, will be fined R100 for each week that the checklist is overdue.
